

Stage Right LED panel Assembly
 Reverse and Repeat for Stage Left LED panel Assembly.
 This consists of 217 .5m x .5m high res LED panels rigged from truss.
 The LED panels are masked as shown by a black panel from the top,
 a grey 1" thick border below with a dark textured panel below the border.

This is a representation of design concepts only! The designer takes no responsibility, and herewith disclaims liability, for the erection, engineering and/or use of any component or concept shown on this or any other drawing. It is the responsibility of the vending companies to erect this design using properly engineered and approved materials, components and methods, including but not limited to local building, fire and safety codes, and all applicable C.S.I.A. standards.
